# OCHN Troy Wi-Fi Instructions for All Mobile and Personal Devices

Overview

OCHN users and guests wanting to access OCHN's Guest WIFI must follow the registration process. A new registration and password will be required every seven days. The only is exception is when users connect their OCHN issued laptop to the WIFI.

Instructions

① Open the Wi-Fi settings on your phone, laptop, or tablet and click on **OCHN_GUEST_REGISTRATION**

② Click **Accept** at the Terms of Use page

③ Enter your **first** and **last name**, and your **email address**, then click **Register**

④ Open your email, then open the registration email from **Extreme Networks** with the Subject "Login Credentials" to access your Wi-Fi password

⑤ Open your Wi-Fi settings and click **OCHN_GUEST**

⑥ Lastly, enter the password from the email, then click **Join**
